This solicitation and selection process shall in no way be deemed to create a binding contract, agreement, or offer of any kind between the TRIBE and any entity. If the TRIBE selects a CONTRACTOR(s) to provide the services described in this solicitation, any legal rights and obligations between the successful CONTRACTOR(s), if any, and the TRIBE will come into existence only when an agreement is fully executed by the parties, and the legal rights and obligations of each party shall at that time be only those rights and obligations which are set forth in the agreement and any other documents specifically referred to in that agreement and executed by the parties.

2. RIGHT TO RESCIND AWARD

The awarded CONTRACTOR(s) will be required to enter into a formal agreement for these services after award. The TRIBE expects the awardee to suggest minimal revisions to this agreement.

The TRIBE reserves the right to rescind an award should the awardee be considered, in the TRIBE's sole opinion, to be inflexible in its agreement negotiations.

3. SEMINOLE TRIBAL AND STOFI OWNED BUSINESS PREFERENCE

The TRIBE encourages its Seminole Tribal Member vendors and STOFI owned businesses to bid on goods and services through the competitive bidding process and will give preference to qualified Seminole Tribal Member and STOFI owned businesses/entities certified by the TRIBE.

In all cases, the Seminole Tribal Member owned business/entity or STOFI owned business/entity must be qualified for the applicable Scope of Work and must be able to demonstrate that the individual or business/entity has the skills and abilities to perform requested tasks in an acceptable manner.

- For non-construction projects, preference will be given to bids submitted by Seminole Tribal and STOFI owned businesses/entities as long as the bid is equal to or less than three percent (3%) (not to exceed \$100,000) of the lowest non-Seminole Tribal Member business's bid.
- For construction projects, preference will be given to bids submitted by Seminole Tribal and STOFI owned businesses/entities as long as the bid is equal to or less than four percent (4%) (not to exceed \$200,000) of the lowest non-Seminole Tribal Member business's bid.

5. VENDOR APPLICATION AND REGISTRATION PROGRAM

Because the TRIBE is engaged in Indian tribal gaming in accordance with the Indian Gaming Regulatory Act and the regulations promulgated by the National Indian Gaming Commission, the TRIBE cannot engage in significant transactions with individuals or business entities whom,

because of past or continuing activities, associations, or reputation, might bring discredit to the TRIBE and its gaming operations. Thus, the TRIBE has adopted a program whereby it reviews significant transactions and the persons or entities involved with those transactions to assure compliance with all applicable laws and regulations relating to gaming.

If not already an approved and registered vendor with the TRIBE, the highest scoring or lowest-priced vendor(s) will be required to submit a completed and fully executed Vendor Application and Registration Form to the TRIBE's Purchasing Department. The highest scoring or lowest-priced vendor(s) shall not initiate this process until requested by the TRIBE's Purchasing Department.

Upon successful completion of an investigation into the past and current activities, associations, and reputation of the applicant, the TRIBE will assign a vendor number and the vendor will be added to its Master Vendor File. The TRIBE may not enter into any business transactions with any vendor whose name does not appear on its Master Vendor File.

Should the highest scoring or lowest-priced vendor(s) be unresponsive or unable to successfully complete the vendor registration process, the TRIBE reserves the right to halt the vendor registration process with the highest scoring or lowest-priced vendor(s) and move onto the next highest scoring or lowest-priced vendor(s). Should the next highest scoring or lowest-priced vendor(s) be unresponsive or unable to complete the vendor registration process, the TRIBE will continue to halt the vendor registration process and move onto the next highest scoring or lowest-priced vendor(s) until a vendor(s) is successfully registered.

The TRIBE reserves the right to modify the insurance requirements listed in this solicitation, as needed.

CONTRACTOR receiving an award, if any, will be requested to procure and maintain insurance coverage throughout the term of service provision from an insurer(s) financially acceptable and lawfully authorized to do business in the state(s) where the TRIBE conducts operations. Such coverage shall protect CONTRACTOR against claims arising from sickness, disease, death or injury to persons, and/or physical damage to tangible property, including loss of use, which may arise from the goods, products, or services provided by the CONTRACTOR, its agents, or its representatives.

Minimum Scope of Insurance

CONTRACTOR's insurance coverage shall include the following minimum limits and coverage, if applicable:

- I. Commercial General Liability insurance on an occurrence coverage form, at least as broad as the *Insurance Services Office Commercial General Liability Policy form CG 0001* ©, current edition. If CONTRACTOR sells or distributes alcoholic beverages such coverage shall include Liquor or Dram Shop Liability. If CONTRACTOR sells or distributes food or beverage products such coverage shall include claims emanating from food-borne illness. Other than the standard exclusions applicable to pollution, asbestos, mold, employment practices, ERISA and professional liability, there shall be no additional limitations or exclusions beyond those contained in the above referenced policy form applicable to products and contractual liability. In addition to procuring and maintaining this insurance during the duration of the contract, CONTRACTOR agrees to continue to procure and continuously maintain products liability insurance coverage for a minimum of three years after the date the contract is completed or terminated.
- II. Automobile Liability insurance covering liability arising from the use or operation of any auto, including those owned, hired or otherwise operated or used by or on behalf of the CONTRACTOR. The coverage shall be at least as broad as the *Insurance Services Office Business Automobile Policy, form CA 0001* ©, current edition.
- III. Workers' Compensation and Employer's Liability insurance as is required by statute or law, or as may be available on a voluntary basis.
- IV. Professional Liability insurance covering wrongful acts made by or on behalf of the CONTRACTOR. Claims-made coverage is permitted, provided the policy retroactive date is continuously maintained prior to the commencement of professional services rendered to the TRIBE, plus an additional period of three years after such services have been rendered to the TRIBE. If the CONTRACTOR's scope of work includes

environmental engineering or consulting, the coverage required hereunder must not exclude coverage for environmental (professional) services.

Minimum Limits of Insurance

CONTRACTOR shall maintain the following minimum limits of insurance, if applicable (unless higher limits are required by law or statute):

1. Commercial General Liability (including umbrella or excess liability): \$1,000,000 per occurrence, bodily injury and property damage liability; \$1,000,000 per offense personal and advertising injury liability; \$1,000,000 products and completed operations policy aggregate and \$2,000,000 policy general aggregate applicable to claims other than products and completed operations.
2. Automobile Liability: \$1,000,000 combined bodily injury and property damage liability per accident for bodily injury and property damage.
3. Employer's Liability: \$500,000 accident for bodily injury by accident or disease, including \$500,000 disease aggregate.
4. Professional Liability: \$1,000,000 each wrongful act, \$2,000,000 policy aggregate. If CONTRACTOR's contract with The TRIBE exceeds \$1,000,000, the each wrongful act limits shall apply separately to the TRIBE's project.

Deductibles and Self-Insured Retentions

The funding of deductibles and self-insured retentions maintained by CONTRACTOR shall be the sole responsibility of CONTRACTOR. Self-insured retentions in excess of \$50,000 must be declared to and approved by the TRIBE.

Other Insurance Provisions

The required insurance shall contain the following additional provisions:

- I. **ADDITIONAL INSURED** – The TRIBE must be included as an additional insured, by endorsement, under CONTRACTOR's Commercial General Liability with respect to liability arising from CONTRACTOR's products, goods, or work or operations performed by or on behalf of CONTRACTOR.
- II. **WAIVERS OF SUBROGATION** – CONTRACTOR agrees to waive all rights of subrogation against the TRIBE and other tenants of the TRIBE, with respect to loss, damage, claims, suits, or demands, howsoever caused:
 - a. To real or personal property, equipment, vehicles, tools, laptops, etc. owned, leased or used by CONTRACTOR, its employees, agents, or subcontractors; and

- b. To the extent such loss, damage, claims, suits, or demands are covered, or should be covered, by the required insurance or any other insurance maintained by the CONTRACTOR. This waiver shall apply to all first party property, equipment, vehicle and worker's compensation claims, and all third party liability claims, including deductibles or retentions, which may be applicable thereto. The CONTRACTOR agrees to endorse the required insurance policies to acknowledge the required waivers of subrogation in favor of the TRIBE. CONTRACTOR further agrees to hold harmless and indemnify the TRIBE for any loss or expense incurred as a result of CONTRACTOR's failure to obtain such waivers of subrogation from CONTRACTOR's insurers.
- III. NOTICE OF CANCELLATION – Each insurance policy shall be endorsed to require Insurer(s) to provide thirty (30) days' written notice to the TRIBE by certified mail, return receipt requested, prior to any suspension, cancellation or non-renewal of the required insurance.

Acceptability of Insurers

Insurance is to be placed with insurers with a current A.M. Best's rating of not less than A- VII, unless otherwise approved by the TRIBE.

Verification of Coverage

CONTRACTOR shall furnish the TRIBE with a certificate of insurance evidencing the required coverage prior to the delivery of product, goods or services to the TRIBE. The certificates are to be signed by a person authorized by the insurer(s) to bind coverage on their behalf. Renewal certificates are to be provided to the TRIBE prior to the expiration of the required insurance policies. As an alternative to a certificate of insurance, CONTRACTOR's broker or insurer may provide complete, certified copies of all required insurance policies, including endorsements necessary to affect coverage required by these specifications.
