This solicitation and selection process shall in no way be deemed to create a binding contract, agreement, or offer of any kind between the TRIBE and any entity. If the TRIBE selects a CONTRACTOR(s) to provide the services described in this solicitation, any legal rights and obligations between the successful CONTRACTOR(s), if any, and the TRIBE will come into existence only when an agreement is fully executed by the parties, and the legal rights and obligations of each party shall at that time be only those rights and obligations which are set forth in the agreement and any other documents specifically referred to in that agreement and executed by the parties.

## **2. RIGHT TO RESCIND AWARD**

- For non-construction projects, preference will be given to bids submitted by Seminole Tribal and STOFI owned businesses/entities as long as the bid is equal to or less than three percent (3%) (not to exceed \$100,000) of the lowest non-Seminole Tribal Member business's bid.

because of past or continuing activities, associations, or reputation, might bring discredit to the TRIBE and its gaming operations. Thus, the TRIBE has adopted a program whereby it reviews significant transactions and the persons or entities involved with those transactions to assure compliance with all applicable laws and regulations relating to gaming.

If not already an approved and registered vendor with the TRIBE, the highest scoring or lowest-priced vendor(s) will be required to submit a completed and fully executed Vendor Application and Registration Form to the TRIBE's Purchasing Department. The highest scoring or lowest-priced vendor(s) shall not initiate this process until requested by the TRIBE's Purchasing Department.

Upon successful completion of an investigation into the past and current activities, associations, and reputation of the applicant, the TRIBE will assign a vendor number and the vendor will be added to its Master Vendor File. The TRIBE may not enter into any business transactions with any vendor whose name does not appear on its Master Vendor File.

Should the highest scoring or lowest-priced vendor(s) be unresponsive or unable to successfully complete the vendor registration process, the TRIBE reserves the right to halt the vendor registration process with the highest scoring or lowest-priced vendor(s) and move onto the next highest scoring or lowest-priced vendor(s). Should the next highest scoring or lowest-priced vendor(s) be unresponsive or unable to complete the vendor registration process, the TRIBE will continue to halt the vendor registration process and move onto the next highest scoring or lowest-priced vendor(s) until a vendor(s) is successfully registered.
